

14-day tour South-Africa

Luxury Private Tour guide through Cape Town, the Winelands and the Garden Route

During this 14-day private tour, I will be driving you through the most breathtaking scenery in a comfortable 4x4 jeep and you will be able to discover many different aspects of beautiful South-Africa... From exciting game drives along the Garden Route to unspoiled beaches on the West Coast and some top-notch culinary indulgence in the Winelands. Add a decent portion of culture in lively Cape Town with its world famous Table Mountain to this, and you have all necessary ingredients for an unforgettable trip. As this is a private trip, you are more than welcome to enjoy every excursion at your own pace and to organise your precious time as you please.

Day 1

"Cape Town"

Durbanville

I will await you at the airport and bring you to our little piece of paradise in Durbanville, where we gladly offer you a welcome drink and a snack.

Day 2

"Cape Town, the city that has it all "

Durbanville

I obviously didn't move to the other end of the world for no reason, this city has so much to offer... We plan on showing you all the highlights of Cape Town and start literally on the top of 1 out of the seven wonders of the world, namely Table Mountain. The views from the top are spectacular.

The '**Bo-Kaap**', also known as 'Cape Malay', is an absolutely beautiful area, well known for its colourful little houses and its exotic spicy smells deriving from loads of little restaurants and shops.

The Museum of Slavery, just around the corner from the City Gardens, will teach us more about slavery, Apartheid and the oppression of the South-African people throughout history.

The oldest building of South-Africa, '**Castle of Good Hope**', has been the centre of daily life ever since its establishment in 1666. This historical monument offers a great recollection of memories that remind us of the way the first inhabitants of Cape Town used to live.

We stop at **Green Market** to go souvenir hunting and close off our day at the **V&A Waterfront**, a most typical lively harbour with lovely restaurants and an exquisite selection of shops.

Day 3

" A day through the Cape Peninsula "

Durbanville

You have quite an interesting and well filled day ahead of you as we are taking you on our "**Cape Peninsula Tour**" today.

We start off in the coastal village of **Houtbay** where we embark on a boat that will bring us to '**Seal Island**', a rock formation which has become the home of hundreds of seals.

After our boat trip we drive along **Chapman's Peak**, a picturesque mountain pass which connects Houtbay with Noordhoek and proves to be one of the world's most beautiful coastal roads. We continue our journey along the rough coastline towards the most South Western point of the African continent, '**Cape Point**', where the Indian and the Atlantic Ocean meet. You will be offered the opportunity to take a beautiful walk towards the '**Cape of Good Hope**' with breathtaking views over the sea and the mountains.

Our next stop is **Boulders Beach** nearby the small fishermen's village **Simon's Town**.

However, this is not just the ordinary beach, it's the home of over **2000 African penguins**.

On our way back we pass the scenic coastal villages Kalkbay and Muizenberg, the last one better known as surfer's paradise.

Day 4

" Cape Town from a different angle "
 Durbanville

Today we visit some of the larger townships, as these informal settlements also form a substantial part of South-Africa's everyday reality. The **'Township Tour'** kicks off in **'District 6'**, where we attend a concise presentation of the history of this area, where thousands of people were evicted from their houses during the Apartheid years. Our next stop is Langa, the oldest township of Cape Town. We offer this tour in collaboration with a local organisation, managed by people who actually live in the township. This allows us to get up close & personal with its inhabitants and to visit a few of their job-creation projects. In the afternoon we embark on the boat that will take us to **Robben Island**, to the infamous correctional facility where Nelson Mandela was imprisoned for the greater part of his life. We will have a closer look at the way prisoners such as Mandela were treated and accommodated.

Day 5

Day off by the poolside
 Durbanville

Or to be filled up as you wish (see variety of supplementary excursions).

Day 6

The Garden Route "Hermanus"
 140 KM

 Hermanus

Today marks the start of our trip along the 'Garden Route', a journey filled with luxury, culinary indulgence and highlights of the African nature and wildlife. We drive along a stunning coastal road and take a break in **Betty's Bay**, where we take an adventurous walk toward **Leopard's Cliff**. Then we continue our way to **Hermanus**, well known for its **whales** (and an absolutely great spot for whale-spotting from the coast line) and its picturesque markets, shops and restaurants.

Day 7

The Garden Route "Big 5"
 325 KM

 BotliersKop Game Lodge

When discovering South-Africa's hidden gems, this one surely can't be neglected! The beautiful 6000 hectares wide game lodge **'Botlierskop'** is nestled in the green hills of the Outeniqua mountain range in the heart of the Garden Route. In the comfort of an **open jeep, guided by a park ranger**, we embark on a safari through the most amazing scenery to get very close encounters with all kinds of wild animals. There will be no lack of comfort during this stay. The luxury accommodation and top-notch cuisine are just what you need to relax and unwind.

The Garden Route "Knysna"
 100 KM

 Knysna

This is an obligatory stop for anyone travelling the Garden Route. **Knysna**, thanks to its world famous **lagoon**, is considered to be one of the most beautiful coastal towns of South-Africa. You will be offered the opportunity to visit '**Monkeyland**', '**Birds of Eden**' or '**Tenikwa wildlife centre**', or to embark on a **sunset cruise on the lagoon**.

Day 9

The Garden Route "Oudtshoorn"
 120 KM

 Buffelsdrift Game lodge

Welcome to **Oudtshoorn**, the ostrich capital of South-Africa. We visit an **ostrich farm** to get to know this strange species better, and then continue our trip to '**Buffelsdrift Game Lodge** for a **meet & greet with the elephants**. We sleep in spacious luxury tents, situated right next to a large dam where the free roaming animals come to drink at night. The perfect setting for our second open jeep safari.
