You experience it all at your own pace as you will have complete freedom to organize your time during this unforgettable private journey.

Day 1

**The Garden Route "Hermanus"**

150 KM

We drive along the wonderful coastal road and stop at **Betty's Bay** for an adventurous walk to **The Leopardskloof**.

We visit "Stony Point" with its African Penguin Colony.

The journey continues to **Hermanus**, known for its whales that can be spotted from the coastline, the town also offers a variety of nice shops and restaurants.

Day 2

**The Garden Route "Mossel Bay"**

325 KM

Hartenbos Private Game Lodge

Our next stop is **Hartenbos Private Game Lodge**. In this small (860ha) and unique wildlife park, we start off with with a **quad bikeride** during which we cross the most beautiful scenery.

In the late afternoon there's an **open jeep safari** scheduled for us, guided by the owner himself.

Day 3

**The Garden Route "Big 5"**

70 KM

Hartenbos Private Game Lodge

When we talk about the hidden treasures of South Africa, this is certainly one of them! Nestled in the green hills of the Outeniqua mountains in the heart of the Garden Route we find "**Botlierskop**" **safari park**. On this 6000 hectar game reserve we will meet various wild animals face to face during a **horseback safari**.

In the afternoon we do another **open jeep safari**, guided by a park ranger.

Day 4

**The Garden Route "Knysna - Plettenberg Bay"**

120 KM

Knysna

**Knysna** is considered to be one of the most beautiful coastal villages of South Africa, largely thanks to its beautiful lagoon.

You can either go on a **cruise** from the **waterfront onto the lagoon**, or you have the option to visit **Monkeyland, Birds of Eden** or **Tenikwa wildlife center**.

Day 5

**The Garden Route "Plettenberg Bay Tsitsikamma"**

150 KM

Knysna

**Tsitsikamma National Park** is particularly known for the beautiful rainforest and the breathtaking coastline of no less than 80 km length. We do a walking route to the **77 meter long suspension bridge** over the Storms River, or we **kayak** inland. In order to get a better view on the beautiful scenery you can also '**zipline**' through it, whereby you literally fly through the rainforest, 30 meters above the ground. For the real daredevils amongst us, we recommend a **Bungee jump** from the Bloukrans Bridge, just outside the park. With a fall of 216 meters this is the highest Bungee jump off a bridge in the world.

Day 6

**The Garden Route "Oudtshoorn"**
